TAKE
PART

Home is
where the
heart is

YOU WILL NEED:

- * PRINT OUT a House Template OR juice/milk carton
- * Black Permanent Pen
- * Glue Stick or tape
- * Scissors
- * Tissue Paper or thin papers
- * Battery Tea Light (provided if join in with the group art.)
- * Colouring pencils, pens or just use A pencil or biro!
- * A need to have some arty fun!

Natasha Rand
20 years
art teacher & community artist
Founder of Creation Generation

In the time of isolation and social distancing our homes, neighbours houses, our streets and trees around us have become our whole world. What have these places become to us?

You can use simple material found in this pack and around the home, this activity will enable you to make a “house” lantern. This project represents the warm and light of the heart of a home and our community.

Collection of your lantern will be arranged and a “lit” community display of the house sculptures would be created by Natasha Rand in a public shop window in Yeovil.

YOU CAN MAKE UP YOUR HOUSE OR RETURN IT FLAT

ENJOY THE MAKING.
DESIGNED TO BE FUN
AND YOU CAN MAKE IT
EASY OR CHALLENGING.IT
IS TOTALLY UP TO YOU.

Creative

BE DIFFERENT. ITS YOUR
HOUSE LANTERN SO YOU
CAN CHOOSE WHATEVER
DESIGN YOU LIKE.

Individuality

BY EVERYONE CREATING
THEIR LANTERN WE CAN
CREATE A GREAT PIECE OF
ART TOGETHER WHILST
APART.

Achieve

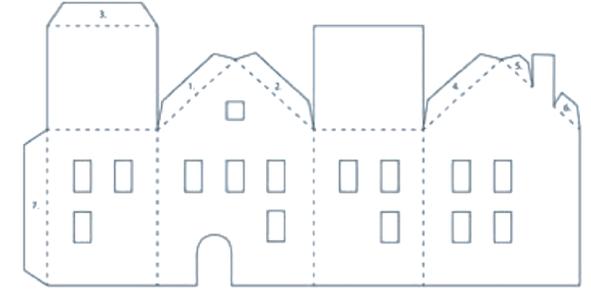

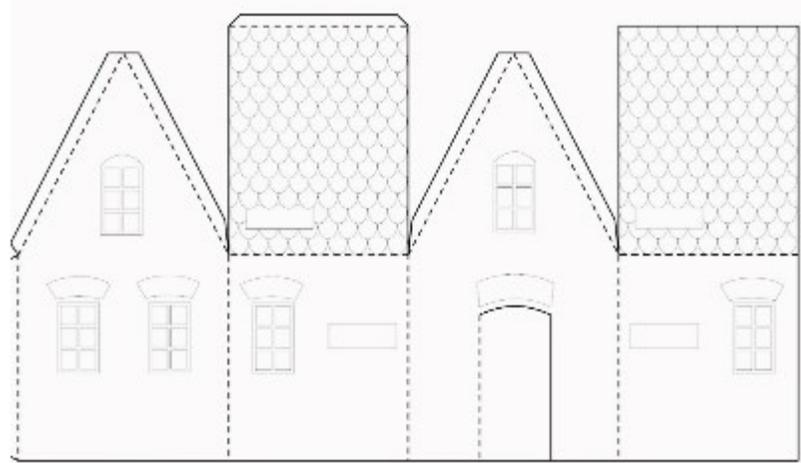

WE CAN ALL ENJOY EACH
OTHERS WORK AND SO
CAN OTHERS WHEN THE
LANTERNS HANG
TOGETHER IN A PUBLIC
WINDOW.

Celebrate

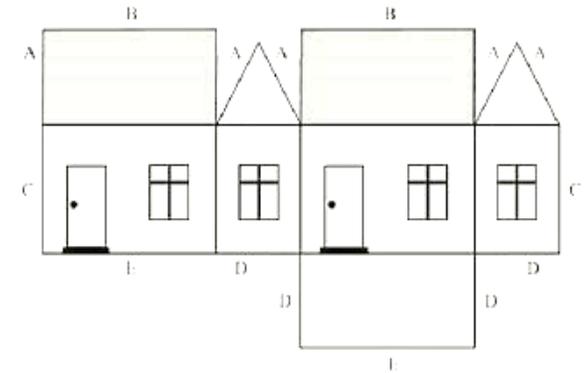

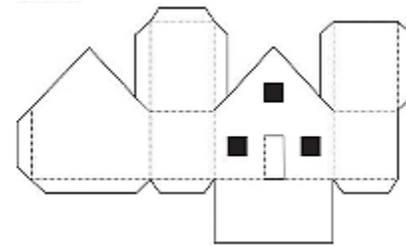

home

[hɒm] noun

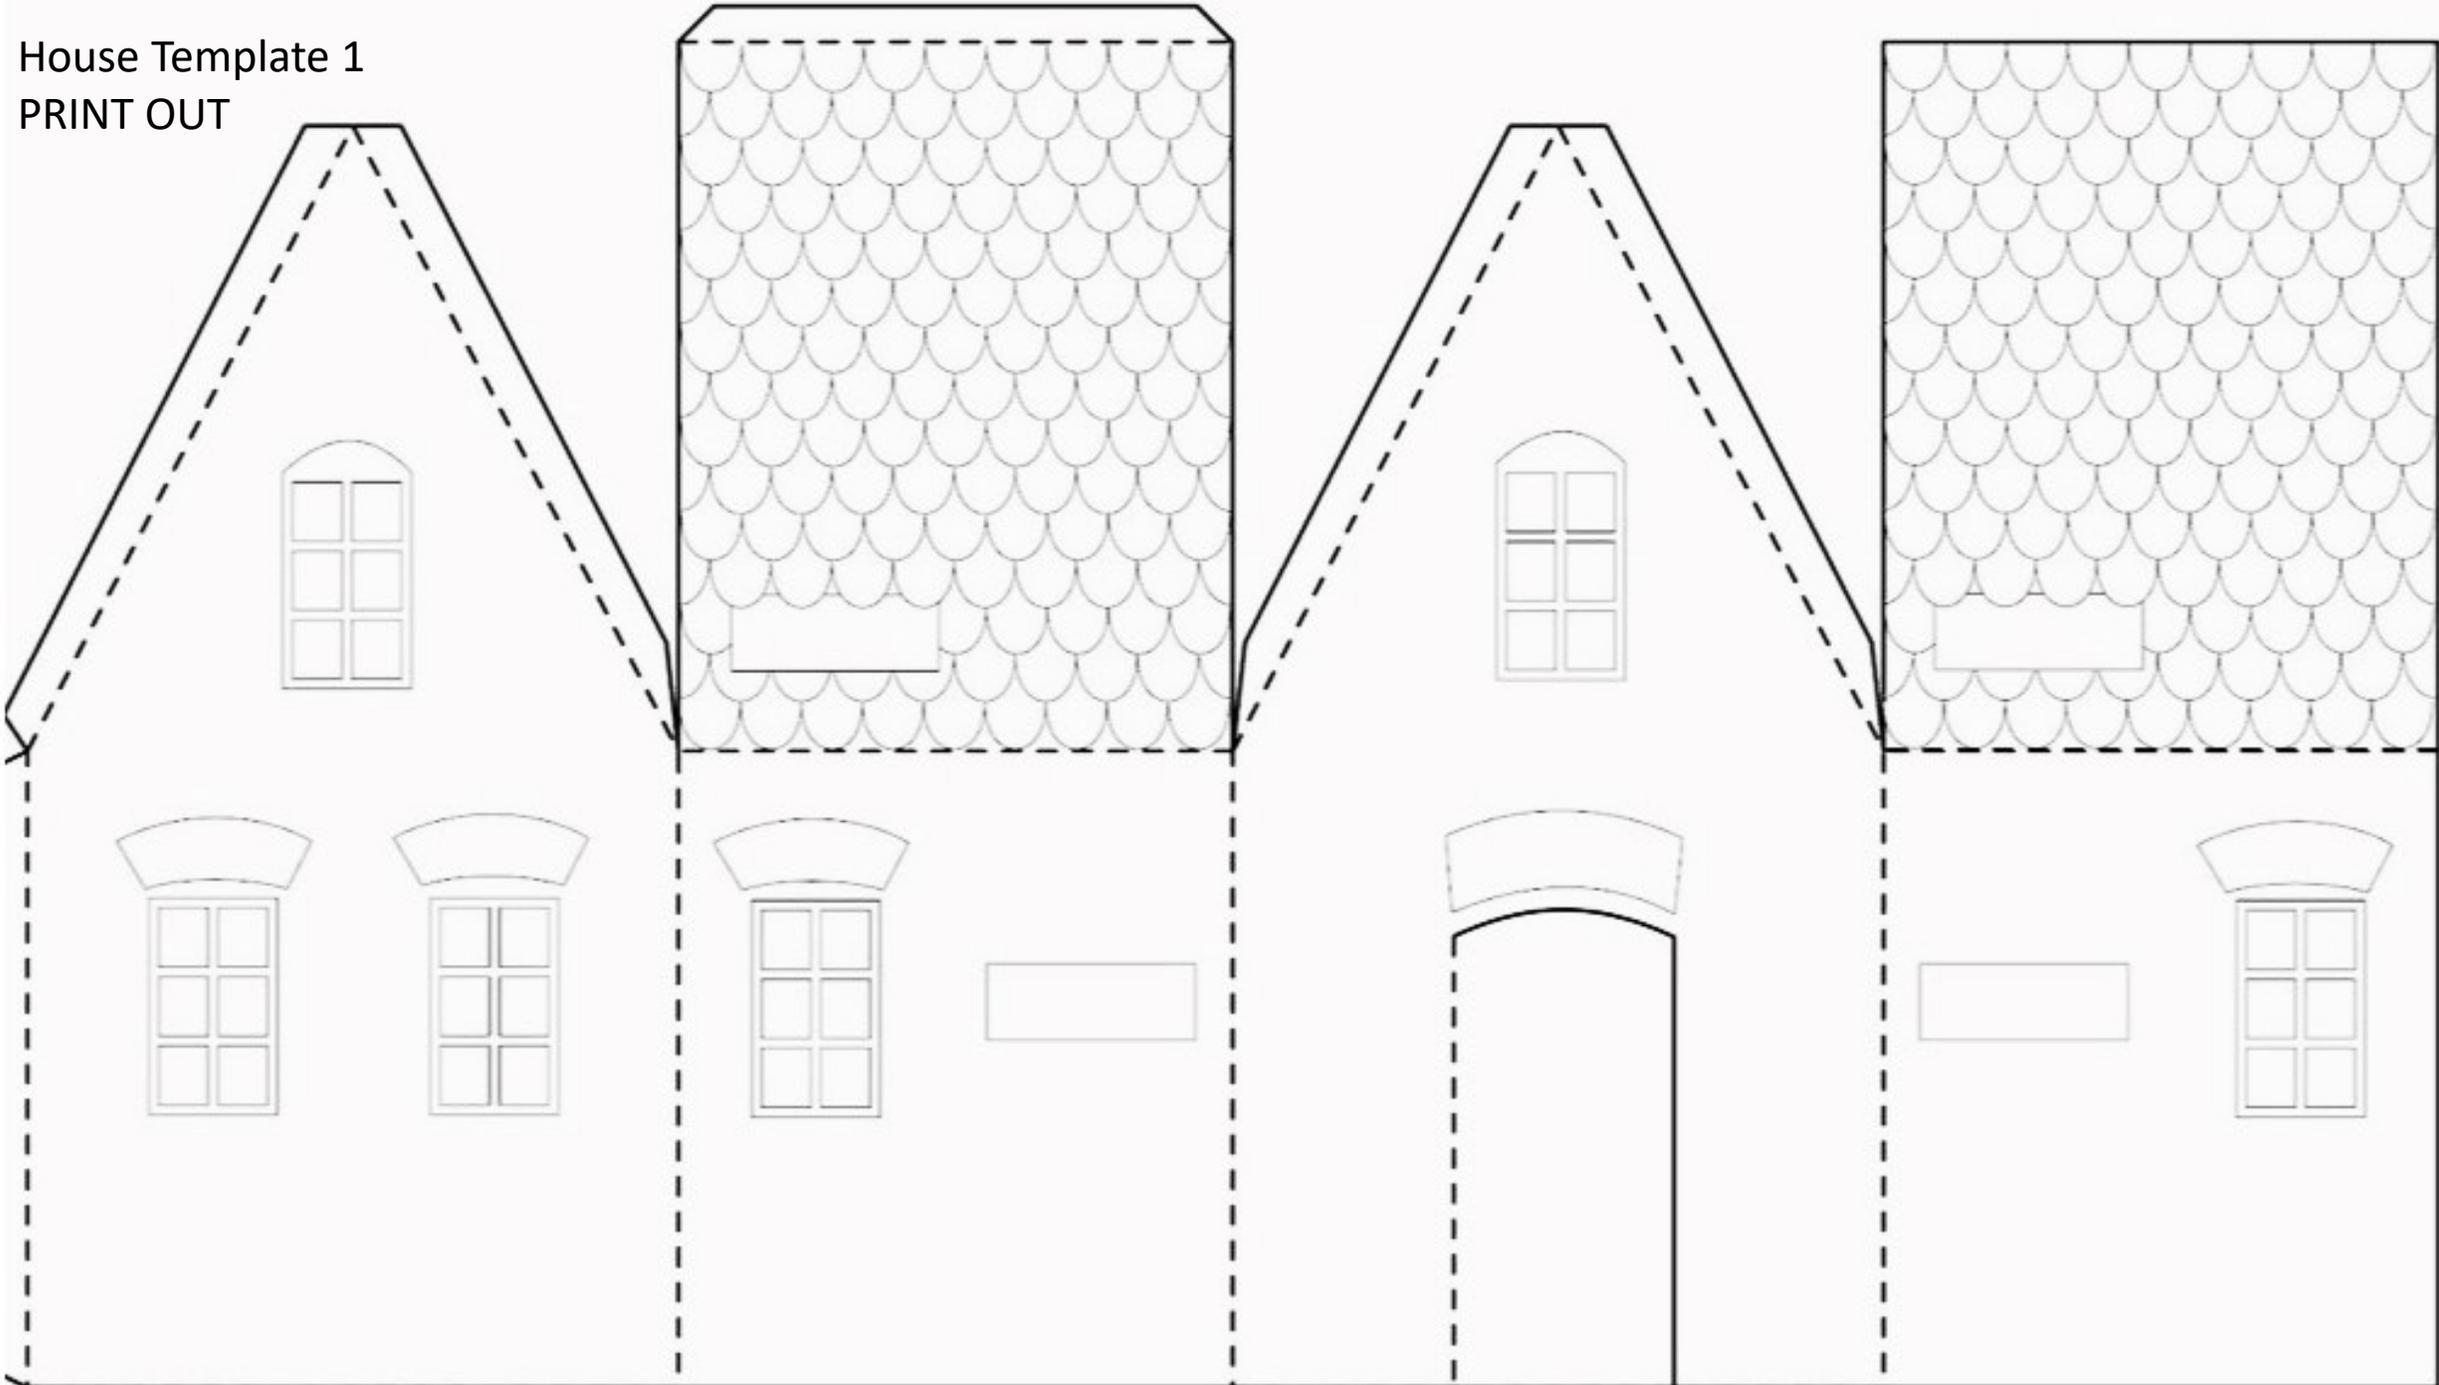

a gathering place for family to join together in laughter.
the one place you will always be surrounded by those
who love you, a place or feeling of belonging.

This is the paper cut out that will become your lantern. You can “decorate” it however you like. Collage, paint or just doodle what home means to you! See the examples in the photos.

Ideas for Windows

Ideas for Doors

Print out a house template and carefully cut out the windows. Sticky tape or glue will be used of the tabs to construct the house lantern.

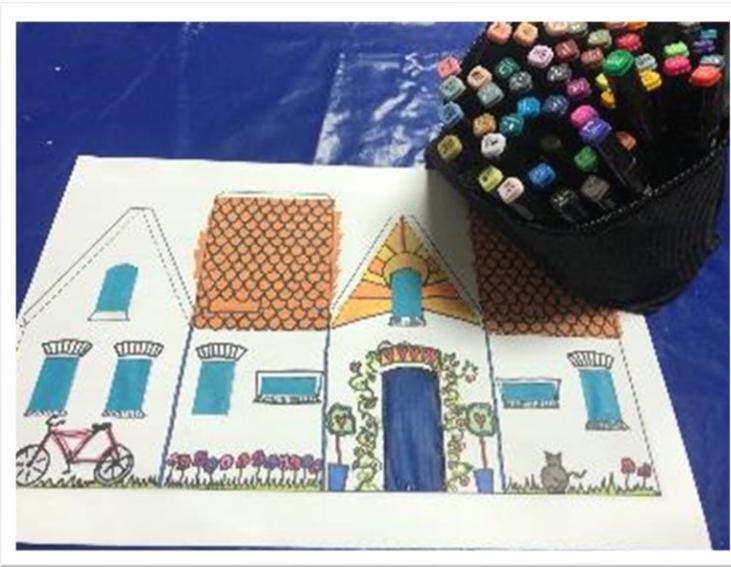

Use any coloured materials. Using colouring pencils for a background colour works well. Shown here are water colour ink pencils.

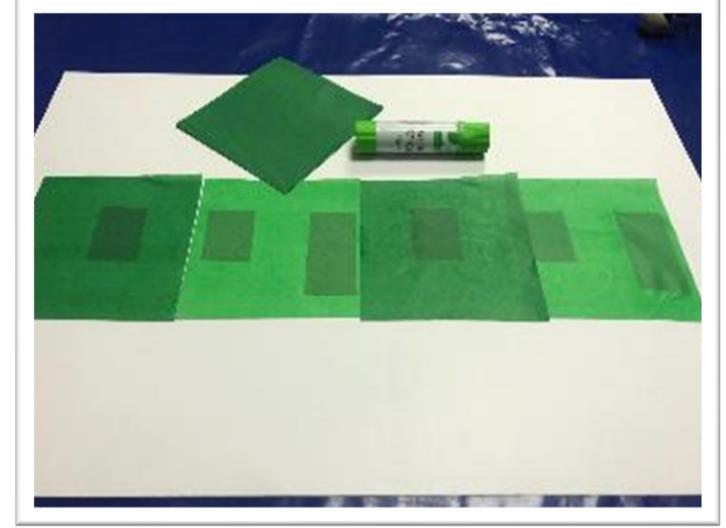

Coloured tissue paper, ripped or cut neatly can be used to create window panes. Will you use all one colour or will you mix and rip? Your design choice.

Working with pens on top of dry paint or pencil can help to add detail. Doodle your homely touches onto your designs.

Using a glue stick, glue the tissue paper on the BACK of the template and cover the windows shapes that you have cut out.

Be unique. We want a variety of "homes" that are individual to participants that join in this community art piece. The more houses made the bigger our community lantern town will be!

Once finished houses can be returned *to Abri staff flat or constructed. The house lanterns need a LED candle T light placed inside which can be provided for the community art piece. All house created will be displayed TOGETHER to create our lantern display in a shop window in Yeovil in December 2020.

We encourage you to be unique and individual with your creations. ENJOY.

We will endeavour to return your lantern to you. If you would like this to happen please write your name inside the lantern.

**Please make contact with Abri Staff if you would like to be involved.*
